Approaching Thanksgiving.

NICOLL'S methods are stanch on the Pilgrim's Thanksgiving.

(1.) Getting the best, brightest, and choicest make of goods to be had.

(2.) Making-to-measure honest qualities, goods that are stylish and not out of date.

(3.) Giving the best possible made-to-measure garment for cash, suppressing the evils of credit.

(4.) Counting friendly patrons by the thousands, with many stores in many cities.

(5.) Pleasing at any cost; doing with a little profit; not stopping short of a big business.

You have seen how it worked. It kept dull times from Nicoll's doors. It wouldn't if we hadn't made you gainers by it.

We have overcome slow trade—and you have saved money. Trousers, Suits, Overcoats, to measure at prices you can afford.
